

Scientific Coaching

Get a scientific report about your personality!

Look at the mirror and ask your self:

- **What am I really passionate about?**
- **What is my mission and my vision in life?**
- **In which type of job will I feel better at?**
- **How do I like to be treated?**
- **What are my strong interests?**
- **In which ways am I different from others?**
- **For which jobs I am not good for?**

Self knowledge is the best investment you can ever make. First know your self in detail and then adapt everything to fit your needs.

Empowered-Teams can answer all these questions and more with a **Computerized Personality Inventory** designed by Birkman®.

What does a Personality Inventory includes?
